

## **Casper Suite & Weizmann Self Service Enrollment**

1. <u>Click here</u> to open your web browser and start the enrollment process.

2. Enter your Weizmann credentials and click "Log in".

3. Click the "Download" button, to get the QuickAdd.pkg.

4. Locate the QuickAdd.pkg in your Downloads Folder, and open it.

The enrollment process is complete.		

9. The "Weizmann Self Service" app should open automatically.

10. You can now close the web page, and the installer.

11. You can explore the "Weizmann Self Service" app and find more applications and services on the "Categories" side panel. The "Weizmann Self Service" will stay on your Dock, so you can always access it, and find new apps and services.
