Acceptable use policy for the WIS_Secure wireless network

Your registration to the WIS_Secure service constitutes confirmation of your acceptance of the following policy:

- The device registered is your own, and is to be used by you only.

- This wireless service will not be misused. Examples of misuse include yet are not limited to:

  - Fraud and theft

  - System sabotage

  - Introduction of viruses, Trojans, malware and spyware

  - Unauthorized access to any service

  - Hacking or attempted hacking

- The Information Security team will verify compliance with this policy via numerous means.

Any misuse or deviation from this policy may result in premature termination of all on-campus wireless services, without refund.
